2025

- AI-powered marine eDNA analysis platform designed to uncover hidden biodiversity in deep-ocean ecosystems by combining environmental DNA (eDNA).

4. AI Driven Farming Mentor for Landowners | ReactJs, SpringBoot(Java)

2026

- Farming Mentor platform that helps farmers choose suitable crops, manage seasonal farming, and connect directly with consumers for better profits.

Technical Skills

Programming

Proficient:

C • JavaScript • Python
SQL • CSS • HTML •
PHP • Mysqli

Familiar:

Java

Tools/Platforms

GitHub • Vercel

Educational Qualifications

Diploma in Computer Science

Dr. B. R. Ambedhkar G. M. R.

Polytechnic,

2021-2024 | Rajamahendravaram, A.P.

Percentage: 93.1

Secondary School Certificate

Z. P. H. School,

2021 | Makkuva, A.P.

GPA: 9.8 / 10.0

Strengths

- Self-Learning.
- Continuous self-improvement mindset.

Hobbies

- Solving Coding Challenges.
- Exploring new technologies

Certifications

- The Joy Of Computing using Python achieved "Elite Certification".
- Internship completed on "Python Full-stack Development".
